**Centre of Lyon**

The end of September is quite busy in Lyon and it is not possible to suggest an hotel in the city centre that can accommodate a group. For an accommodation in the Centre of Lyon, choose one in a district that is close to Metro A or C3 line (see map on next page).

The neighborhoods are:

- Part-Dieu
- Hotel de Ville
- Cordeliers
- Bellecour
- Brotteaux.

While there are not many hotels available, there are many apartments on airbnb or booking at reasonable price.
