**Subject:** Clerical error made in logbook numbers to annual 2024 ECMT licences

DEAR MS SHATBERASHVILI,

Executive Agency Road Transport Administration within the Ministry of Transport and Communications of the Republic of Bulgaria would like to inform you that when issuing certain annual ECMT licences for 2024, a clerical error was made in the numbering of the logbooks referring to them. The error consists in the availability of one extra zero at the beginning of the logbook numbers to the corresponding ECMT licences. You will find detailed information in the table below.

ECMT Licence Number	Logbook Number
N° 00097	N° 000097
From N° 00100 to N° 00180 inclusive	From N° 000100 to N° 000180 inclusive

I kindly request you to bring the above to the attention of all competent authorities of the ECMT member countries and **the logbooks specified above** to the respective annual ECMT licences **to be considered valid**.

Yours sincerely,

15.12.2023 г.

X

Executive Director
