- Summary record:

<http://www.internationaltransportforum.org/statistics/StatsGroupApril2014/Summary10Apr2014.pdf>

# Improvements proposed for investment

Series of recommendations further the the ITF Task Force

1. “minimum data requirements” to “targeted data requirements”
2. For capital stock explore NA possibilities
3. Improve definitions (urban/local government/public/private ...)
4. Update the glossary for transport statistics
5. Clarify further data scope for each mode
6. Harmonise the deflators used
7. Improve metadata

# Thank you

# Main Conclusions

## Countries appreciated

- The good balance of items on the agenda
- The mixity of countries, organisations, stakeholders ...
- The level of the debates

## Countries requested

- To have this meeting on an annual basis
  - To focus on a different main topic each time
  - Investment statistics should stay on the agenda
-
