

## **COUNTRY: Czech Republic**

**LAST UPDATE: 09/07/2020**

### Restrictions

On 30 June, the Czech Ministry of Health relaxed the rules on travelling to the Czech Republic. Foreigners coming from high-risk countries are still subject to provisions to comply with upon entry. Rules in detail can be read [here](#).

The classification of countries, according to their risk, is updated every other week, and the latest can be found [here](#). As of 30 June, Polish, British and EU citizens with temporary or permanent residency in Poland and Great Britain, can enter the Czech Republic without the necessity of having a negative PCR test and without the necessity to prove the purpose of travel.

Entry restrictions and quarantine measures do not apply to people working in international transport. Details can be found [here](#).

All border crossings with Austria, Germany, Poland and Slovakia are open.

Members are reminded that, in combination with Covid-specific measures and updates to the Road Transport Act, the following documents are required when entering Czech Republic:

- a document certifying their status, i.e. international transport workers ([in English and Czech](#)),
- a proof of their professional competence,
- an employment contract,
- for drivers of companies established in the EU, a Czech translation of their employment contract.

Measures apply as from 1 July.

### Relieves

Following the end of the state of emergency on 17 May, from 18 May - the weekend and holiday driving bans have been fully reintroduced in the Czech Republic for trucks and combination vehicles with a MPW of over 7.5t, and trucks and special vehicles with trailers if the MPW of the motor vehicle exceeds 3.5t.
