- artists coming to the Republic of Lithuania at the permission of the Minister for Culture of the Republic of Lithuania for the participation in professional artistic events, and their service personnel;
- journalists coming to the Republic of Lithuania at the permission of the Minister for Foreign Affairs of the Republic of Lithuania;
- other exceptional cases, where foreigners are allowed entry to the Republic of Lithuania on the basis of an individual permission by a minister holding the jurisdiction in the respective realm, and whose entry has been approved by the Government.

On June 16, Lithuania has published [a list](#) of 45 affected countries (with a coronavirus infection (COVID-19) incidence

<p>rate of more than 25 cases per 100,000 population over the last 14 days). The list includes countries mostly outside the European Union and the European Economic Area (EEA). The entry of foreigners into the Republic of Lithuania from those countries shall be limited to exceptional cases and those entering Lithuania will be subject to recommended isolation. The list of the affected countries will be updated and made public every week.</p> <p>Transit of persons: Transit through the territory of the Republic of Lithuania is allowed for foreigners in these cases:</p> <ul style="list-style-type: none"> • on their return to their country of residence; • in whose respect a reasoned request has been made by a foreign country; • seafarers; • using facilitated transit of persons from the territory of the Russian Federation to Kaliningrad region of the Russian Federation and backwards (this transit of persons shall be carried out only through Kena railway border checkpoint and Kybartai railway border checkpoint under the conditions laid down by the Minister for Foreign affairs of the Republic of Lithuania). <p>Entry points by road (for persons and their private vehicles):</p> <ul style="list-style-type: none"> • all state border crossing points with the Republic of Latvia and the Republic of Poland. It is not possible to enter Lithuania through other state border crossing points. <p>Persons and their vehicles may leave Lithuania through the following border control points:</p> <ul style="list-style-type: none"> • all state border crossing points with the Republic of Latvia and the Republic of Poland; • Medininkai - Kamenyj Log, Šalčininkai - Benjekoni, Raigardas – Privalka (border with the Republic of Belarus); • Kybartai - Chernyshevskoye, Panemunė – Sovetsk (border with the Russian Federation). 	07/06/20 20 00:00	Until further notice	Border crossing by car from 17 June (personal cars)	
---	----------------------	----------------------------	--	--

<p><u>Important! The Russian Federation does not currently allow persons traveling to its territory on foot or in personal vehicles.</u></p> <p>In exceptional cases, by providing supporting documents by e-mail vsat.vadas@vsat.vrm.lt, the entry of persons and/or their private passenger cars into the territory of the Republic of Lithuania may be allowed also through other state border crossing points, where there is a permission by the Head of the State Border Guard Service under the Ministry of the Interior of the Republic of Lithuania or his authorised person.</p> <ul style="list-style-type: none"> • The entry of diplomatic transport shall be allowed at all state border crossing points. <p>Entry/leave points by road (for crew and crew members who work in companies engaged in international commercial transport or perform international commercial transport in all types of vehicles):</p> <ul style="list-style-type: none"> • all state border crossing points with the Republic of Latvia and the Republic of Poland; • Medininkai - Kamenyj Log, Šalčininkai - Benjekoni, Raigardas – Privalka (border with the Republic of Belarus); • Kybartai - Chernyshevskoye, Panemunė – Sovetsk (border with the Russian Federation). <p>Leaving Lithuania for all citizens is not prohibited</p> <p>From 15 to 21 June, due to high incidence of COVID-19 (coronavirus infection) Lithuania will prevent arrivals from Portugal, the UK and Sweden. Foreigners arriving from Belgium will be required to stay in isolation for 14 days (if they entered Lithuania before 17 June). Lithuanian citizens arriving from the above-mentioned countries will fall subject to a recommended 14-day isolation.</p> <p>On June 16, Lithuania has published a list of 45 affected countries (with a coronavirus infection (COVID-19) incidence</p>	<p>01/06/20 20 00:00</p> <p>17/06/20 20 00:00</p>		<p>Leaving Lithuania</p> <p>Mandatory isolation after traveling from 17 June</p>

<p>rate of more than 25 cases per 100,000 population over the last 14 days). The list includes countries mostly outside the European Union and the European Economic Area (EEA). The entry of foreigners into the Republic of Lithuania from those countries shall be limited to exceptional cases and those entering Lithuania will be subject to recommended isolation. The list of the affected countries will be updated and made public every week.</p> <p>Self-isolation requirement for foreign arrivals depends on the original point of travelling. This means that if people have proof that they are travelling from a country from which isolation on return or arrival is not required, they do not need to self-isolate even if they have travelled through other countries. Failing to have such proof, travellers will fall subject to requirements applicable for the last visited country, from which they have come to Lithuania.</p>
