Repealing of Port Notice No 10/20

The Authority wishes to notify all concerned that Port Notice No 10/20: Covid-19 Temporary Precautionary Measures-Framework of protocol for conducting maritime support services, is hereby being repealed.

Ship Owners, Ship Operators and Ship Masters are reminded of their obligations as prescribed in terms of the Public Health (Ships) Regulations (S.L. 465.10). They are further reminded to comply with applicable protocols, requirements and regulations as issued and promulgated by Health Authorities and in particular the submission of the Maritime Declaration of Health and other relevant documents to obtain clearance ("free pratique") from Health Authorities (Port Health Medic).

Ship Masters are reminded to display the Q Flag until "free pratique" is granted by the Port Health Medic. Terminal Operators are to ensure that personnel do not embark or disembark from ships prior to the granting of "free pratique".
