Other useful information: * According to article 10 of Directive (EU) 2022/2561 on the basis of the CPC certifying an initial qualification and the CPC certifying periodic training, the Estonian competent authority (Estonian Transport Administration) shall mark the harmonised Union code, '95', provided for in Annex I to Directive 2006/126/EC, alongside the corresponding categories of driving licence:

- on the driving licence, or
- on the driver qualification card drawn up in accordance with the standard model depicted in Annex II to Directive (EU) 2022/2561.

If the Estonian competent authority cannot mark the harmonised Union code '95' on the driving licence, they issue the driver with a driver qualification card (DQC).
