Who we are– What we do

FEVR

Fédération Européenne des Victimes de la Route
European Federation of Road Traffic Victims

FEVR campaigns for road victims' rights and road danger reduction

•

This includes the call for a more serious post crash response:

•

investigation to minimum standards

criminal and civil justice for victims

medical and social care to satisfactory standards

•

How a country responds to road death and injury indicates the importance it accords road safety

😊 Setting Targets for SI

FEVR and the SSA

Priority Actions

A) **LIGHT & SAFE:** great majority of cars are greatly over-powered for the conditions in which they are actually used.

B) **SSA:**

Sustainable-Safe-Active

Promote
active mobility &
Better safety for the
Most vulnerable

C) **Wording:**

a crash is no accident
