

## Measures introduced in Member countries related to COVID-19

**Country: Slovenia**

**Date: 16/08/2021**

Measure related to :	Restriction period		<b>Temporary exemptions</b> (e.g. weekend bans, driving and rest hours, etc... )	
	From	To	Type	Period
<p><b>Goods:</b></p> <p>The Government issued the Ordinance determining the conditions of entry into the Republic of Slovenia to contain and control the COVID-19 communicable disease and published it in the Official Gazette of the Republic of Slovenia.</p> <p>With the new ordinance, valid from August 16th, 2021 workers in international transport entering the Republic of Slovenia must leave the territory of the Republic of Slovenia within 12 hours of crossing the border (without compliance with the vaccinated-tested (PCR 72h, HAG 48h recovered rule). The person referred to must present a "Certificate for Workers in the International Transport" from Annex 3 of the Communication from the Commission on the implementation of the Green Lanes under the Guidelines for border management measures to protect health and ensure the availability of goods and essential services (OJ C No. 96I of 24 March 2021, p.1), or another appropriate document from which shows that these persons were posted by their employer.</p>	<p>16/08/2021</p>			

<p>If this above mentioned requirement of 12 hours is not met and the person is without compliance with the vaccinated-tested (PCR 72h, HAG 48h) recovered rule a home quarantine will be ordered. A person claiming the exception must provide the police with evidence of the existence of the exceptions, otherwise they will be ordered to quarantine at home. Foreigners who are not a residents of Slovenia will only be allowed to enter by being ordered into a 10-day quarantine at home if they can prove beyond any doubt that they have a guaranteed place to quarantine, otherwise their entry into Slovenia will be denied.</p>
