On the basis of Article 39 of the Contagious Diseases Act (Official Gazette of the Republic of Slovenia, Nos. 33/06 – official consolidated text, and 49/20 – Act Determining the Intervention Measures to Contain the COVID-19 Epidemic and Mitigate its Consequences for Citizens and the Economy), the Government of the Republic of Slovenia hereby issues the following

## ORDINANCE

on providing public passenger transport in the territory of the Republic of Slovenia

### Article 1

Regular public passenger transport, special regular passenger transport, non-scheduled regular passenger transport, occasional passenger transport, cable-car passenger transport and public rail passenger transport in domestic and international traffic shall be provided in accordance with the recommendations of the National Institute of Public Health (hereinafter: NIJZ) on the prevention of infection with the SARS-CoV-2 virus published on the NIJZ website <https://www.nijz.si/sl/sproscanje-ukrepov-covid-19>.

### Article 2

Every 21 days, taking into consideration expert opinions, the Government of the Republic of Slovenia shall determine whether the measures are still justified, and decide whether the measures should continue to apply or can be changed or lifted, and shall inform the National Assembly and the public thereof.

## FINAL PROVISIONS

### Article 3

As of the date of entry into force of this Ordinance, the Ordinance on temporary ban and restrictions on public transport of passengers in the Republic of Slovenia (Official Gazette of the Republic of Slovenia No. 65/20) shall cease to apply.

### Article 4

The present Ordinance shall take effect on the day following that of its publication in the Official Gazette of the Republic of Slovenia.
