**Subject: Update of information related to the measures in road and railway sectors in the Republic of Slovenia**

---

The Government of the Republic of Slovenia issued an Ordinance on public transportation of passengers in the Republic of Slovenia that re-establishes international passenger transport (i.e. international occasional and regular passenger bus services, international rail passenger transport) on the territory of the Republic of Slovenia on Saturday, 13 June 2020. International passenger transport is subject to the compliance with recommendations of the National Institute for Public Health for the prevention of the SARS-CoV-2 virus.
