Quality Charter – Compliance statement of Italy

We are pleased to inform that Italy is compliant with the provision of the Quality Charter for the international road haulage under ECMT Multilateral Quota.

As part of European Union, Italy applies all relevant regulation and the directives that are provided, in particular the Reg CE 1071/2009, the Reg. CE 1072/2009, the Reg. 561/2006, the Dir. 2003/59/EC.

The Italian legal framework is structured coherently with the European framework in domestic legal acts and therefore all the provisions of the Quality Charter are fully implemented in the road transport sector.

Yours sincerely,

Enrico Finocchi
Director General
