FRANCE

Subject: *Implementation of the Quality Charter*

DEAR MR. VIEGAS,

The Executive Agency Road Transport Administration within the Ministry of Transport, Information Technology and Communications of the Republic of Bulgaria presents its compliments to the International transport forum.

We declare herewith that the Republic of Bulgaria is compliant with the requirements of the Quality Charter for international road haulage operations undertaken under the ECMT Multilateral Quota.

Compliance with the Quality Charter is achieved through the European Union Regulations and implementations of the appropriate European Union Directives. The key international legal instruments are Regulation (EC) No 1071/2009 of the European Parliament and of the Council of 21 October 2009 establishing common rules concerning the conditions to be complied with to pursue the occupation of road transport operator and repealing Council Directive 96/26/EC (OJ EU L 300, 14. 11. 2009), Regulation (EC) No 1072/2009 of the European Parliament and of the Council of 21 October 2009 on common rules for access to the international road haulage market, Directive 2003/59/EC of the European Parliament and of the Council of 15 July 2003 on the initial qualification and periodic training of drivers of certain road vehicles for the carriage of goods or passengers, amending Council Regulation (EEC) No 3820/85 and Council Directive 91/439/EEC and repealing Council Directive

76/914/EEC, Regulation (EC) No 561/2006 of the European Parliament and of the Council of 15 March 2006 and Directive 2006/22/EC of the European Parliament and of the Council of 15 March 2006.

The EU Regulations are supported by national legal acts, especially, the Road Transport Act as amended from 25.02.2011, last amended 29.07. 2016, Ordinance No 11 on International Road Transport of Passengers and Goods as amended from 22.11.2011, last amended 15.03.2016, Regulation № 41 of 04.08.2008 for the terms and conditions for conducting training of the drivers of vehicles for the carriage of passengers and cargo and the conditions and procedures for conducting exams for obtaining initial qualification.

Under the framework of the above mentioned legal acts the Executive Agency Road Transport Administration within the Ministry of Transport, Information Technology and Communications of the Republic of Bulgaria manages the ECMT licences allocations and ensures that undertakings seeking permits meet all the requirements of the Quality Charter prior to issuing of them.

The report submitted with this Statement of Compliance details the laws and the administrative processes adhered to ensure that the provisions of the Charter are met by Bulgarian holders of the ECMT licences. The ECMT licences are only issued to a company having a Community licence for international carriage of goods.

Application: *Report on Implementation of Quality Charter for International Road Haulage Operations under the ECMT Multilateral Quota by the Republic of Bulgaria*

Sincerely yours,

Krasimir Kalaydjiev
Executive Director

SECTION 2. PROVISIONS REGARDING THE DRIVERS
(Chapter III of the Charter)

A) Driving times and rest periods(Chapter III, 1):

All 43 Member Countries participating in the ECMT Multilateral Quota are parties to the European Agreement concerning the Work of Crews of Vehicles Engaged in International Road Transport (AETR) dated 1 July 1970. In the course of any international road haulage operation carried out under an ECMT licence, the undertaking and members of the crew must comply with the provisions laid down by the AETR with regard to the duration of driving and rest times and crew composition [*It is understood that compliance with these provisions are monitored through National procedures, established for the purpose of implementing the AETR or equivalent regulations*].
