Subject: Formal application for Quality Charter Compliance

Dear Mr. Secretary-General,

The Ministry of the Sea, Transport and Infrastructure hereby informs you that Republic of Croatia is compliant with the requirements of the Quality Charter for International Road Haulage under the ECMT Multilateral Quota.

Compliance with the Charter is mostly achieved through European Union Regulations and implementation of relevant EU Directives, including Regulation 1071/2009, 561/2006, 165/2014 and Directives 2002/15/EC, 2006/22/EC and 2003/59/EC as key European legal instruments, supported by relevant national legal instruments transposing EU legislation into the national law (Road Transport Act, Ordinance on professional competence exam for admission in the occupation of road transport operator, Labour Act , Act Regulating the Working Time and Compulsory Rest Periods of Mobile Workers and on Recording Equipment in Road Transport, Ordinance on distribution of permits for international transport of goods by road).

The Ministry of the Sea, Transport and Infrastructure manages the Croatian ECMT permit allocations and ensures that undertakings seeking permits meet all the requirements of the Quality Charter prior issues.

More information on the legal acts and administrative procedures ensuring adherence to the provisions of the Charter by Croatian holders of ECMT licences is provided in the checklist submitted with this statement of compliance.

Yours sincerely,
