LAST UPDATE: 10/04/2020

The National Security and Defense Council of Ukraine, Oleksiy Danilov, announced on March 13th that the country will close its borders for foreigners (effective 15 March) for 14 days, with prolongation if necessary.

Border crossing points will remain open for freight transport (including transit). Temperature of drivers will be checked and they will be asked to wear masks, medical gloves, and have antiseptic gel for hands sanitation. The list of Ukrainian border crossing points closed or restricted for movements can be found on the annexes to the governmental decree.
