Dear Mrs. SHATBERASHVILI,

As it is known, the supplementary sheet to the ECMT licence to be printed by the national competent Authorities and distributed together with the ECMT licences has been modified due to the recent change in the name of North Macedonia and it was announced to the Group Members with an e-mail on 25.10.2019.

Please be informed that supplementary sheets for the year 2020 were printed by Turkey before the announcement.

In this context, we kindly request you to inform the group members about the issue to avoid possible problems.

Best regards.

  
Mahmut GÜRSES  
Director General
