

**UNFCCC COP 24**  
**Katowice, Poland**

**Concept Note**  
**Action Event: Transport**

Marrakech Partnership for Global Climate Action

Friday, 7 December 2018  
15:00 – 18:00

Organised by the Transport Thematic Group

## MPGCA Transport: Scaling Up Climate Action in the Transport Sector

While highlighting the scale and range of climate action in the transport sector, this event identifies political, technical, social, and economic barriers, which are preventing the scaling up of climate action and examines how UNFCCC Parties can help address these barriers at the national level.
