Notification from **Ministry of
Infrastructure of Slovenia**

22/12/2021

**Change of road traffic restrictions in the Republic of
Slovenia**

The Ministry of Infrastructure amended the Order on road traffic restrictions in the Republic of Slovenia. The amendment, which **will enter into force on 30 December 2021**, provides that on Sunday's and non-working days the ban on traffic of goods vehicles and groups of vehicles with a maximum permissible vehicle weight over 7,500 kg is extended for one hour.

According to the new Order, the ban is valid from **8 am to 10 pm** (no longer to 9 pm). The ban remains unchanged during the summer season, on the Friday before Easter the ban applies from 2 pm to 10 pm. The Ministry introduced the amendment in order to improve traffic safety and the flow of transport on border crossings.
